

## **Deputy Minister for Communication, Science and Technology Visits Zantel**

Last week, Zantel was privileged to host the Deputy Minister for Communication, Science and Technology Hon. Charles Kitwanga. Zantel EXCO led by the Chief Executive Officer Ali Bin Jarsh, Chief Technical Officer Moncef Mettiji, Chief commercial Officer Norman Moyo, Chief Financial Officer Arthur Hudson and Chief Human Resource Officer Hussain Kunju and senior Directors and Managers held a closed door meeting with the Deputy Minister who was accompanied by Ministry officials.

The aim of the Deputy Minister's visit was to learn more about Zantel, our growth, future plans, challenges, competition as well as progress on the EASSy Fiber cable.

After the closed door meeting the Minister addressed the media informing them of his visit to Zantel and the issues they discussed with Zantel Management. After the press conference the Minister was taken on a tour of the EASSy cable landing station.
